Share One With Your Neighbor

SHARE ONE is designed to help your neighbors who, due to temporary hardship or misfortune, need financial assistance with their electric bills. If you wish to SHARE ONE dollar each month, please sign the form below, and we will do the rest. EREC will add \$1, or the amount you have specified, to your electric bill each month. When you pay, your contribution will be placed in a special account. Funds from this account will be available in voucher form for those most needy. The Salvation Army will screen and recommend needy recipients. The recipients will present the voucher receipts to EREC and the amounts will be applied to their current bills. Please mail this form with your bill or drop it off by the office. Thank you for your generosity.
